

## Sustainable Energy Europe Campaign

### SEE AWARDS COMPETITION 2008

Within the framework of the Sustainable Energy Europe Campaign ( in which Intesa Sanpaolo was the first European bank to be awarded the title of *Official Partner*), the European Commission intends to recognize the most outstanding, ambitious and innovative programmes or projects concerning renewable energies and energy efficiency.

#### Official Partner

Out of 386 partnerships presented to the Commission, among which 54 were Italians, only 26 have been selected for the award of the 2008 prizes.

**Italy has been awarded 6 nominations and our bank is one of the three finalists (in the "Promotional, Communication and Educational Actions" area) thanks to "Energy Financial Support", a set of financial proposals concerning renewable energies promotion.**

The other Italian entities selected are:

- Enel (*COOPERATION PROGRAMMES*)
- A.G.I.R.E. – Mantova (*DEMONSTRATION AND DISSEMINATION PROJECTS*)
- Politecnico di Torino/Comune di Alessandria, Provincia di Milano e Consorzio Pannello Ecologico (*SUSTAINABLE ENERGY COMMUNITIES*)

The winners of the Sustainable Energy Europe Awards 2008 will be announced at a special ceremony in Brussels on January 29, 2008.
